MARCH 13, 2023 | ZOOM-BASED WEBINAR

4:00 - 5:00 PM (CET)

To Whom It May Concern,

We are delighted to invite you to our upcoming Insights Webinar on **Strategies for Diversity, Equity, Inclusion and Belonging in the Workplace**.

In the wake of **International Women's Day on March 8**, the **American Chamber of Commerce in Germany, Holtzbrinck Berlin** and the **U.S. Embassy Berlin** team up to offer a special virtual event with [LaToya Rose](#), **Vice President for Diversity, Equity, and Inclusion at Macmillan Publishers**. Macmillan is genuinely committed to increasing diversity: "in the content we produce, the authors we work with, and the talent we acquire, retain & develop." LaToya Rose will share objectives, strategies, and initiatives on how to create a more inclusive organization and her experiences with implementing DEI in policies and procedures. The conversation will be moderated by [Celia Parbey](#), **editor for ZEIT ONLINE and editor-in-chief of RosaMag**. Join us for an inspiring transatlantic discussion on diversity and inclusion!

In the United States, March is celebrated as Women's History Month, a time to honor the achievements and contributions of women throughout history and acknowledge the ongoing fight for gender equality.
